Purchase of transportation equipment for transporting students and for repairing such transportation equipment when the cost of the repair exceeds \$2,500. “Repairing,” for purposes of this paragraph, means restoring an existing item of transportation equipment to its original condition, as near as may be, after gradual obsolescence of physical and functional use due to wear and tear, corrosion and decay, or partial destruction, and includes maintenance that meets the definition of equipment and repair and the cost of which exceeds \$2,500. Effective October 2, 2019, “repairing” also means retrofitting transportation equipment when such retrofitting aligns to the school bus construction standards in 281—Chapter 44.
